Sergeants Clay Porlier and Gregory Key responded to [redacted] Palmer Ave., Compton, regarding a deputy involved non - hit shooting.

SYNOPSIS

On Saturday, October 18, 2003, Deputies Valencia and [redacted] were working early morning patrol in the city of Compton as [redacted] While on routine patrol, they saw a male with a gun. A foot pursuit ensued, which culminated in an officer involved non - hit shooting.

INVOLVED EMPLOYEES STATEMENTS:

DEPUTY [redacted]
On October 18, 2003, Deputy [redacted] wrote an arrest report. On November 12, 2003, he was interviewed by Internal Affairs Bureau Sergeant Key and Harris. Both the arrest report and the interview contain essentially the same information and are summarized as follows:

Deputy [redacted] stated that he and Deputy Valencia were on routine patrol in the city of Compton. Deputy Valencia was the driver and Deputy [redacted] was the passenger (book man). While turning south on Dwight Ave. from School St., they saw a male Black (later identified as S/Kristian Amacker) walking north on the west sidewalk of Dwight Ave. As they drove toward the suspect, and paralleled him, he reached into his waistband with his right hand, removed a black handgun, and began running north away from them.

> **IAB NOTE: In his interview with Internal Affair Bureau Sergeant Key and Harris, Deputy [redacted] stated that he was parallel to the suspect when the suspect pulled the gun out. [redacted] stated that if the suspect was going to engage him, he did not want to stay in the car. He exited the vehicle to engage the suspect from a position where he had the advantage. ([redacted] IAB Transcripts Page 7)**

Deputy [redacted] initiated a foot pursuit and advised SCC via his handheld radio that he was in foot pursuit of a man with a gun. Deputy Valencia followed in the radio car. They followed the suspect north on Dwight Ave. to west on Palmer Ave. (one block). Suspect Amacker turned left and ran west on Palmer Ave. to [redacted] W. Palmer. Ave. The suspect ran the entire distance with the handgun

in his right hand. Upon reaching [redacted] Palmer Ave., S/Amacker ran north, down the driveway along the east fence line of the location (single family residence) until he reached a side metal gate.

IAB NOTE: Deputy [redacted] stated that while following the suspect, he stayed within fifteen or twenty feet behind him. I asked Deputy [redacted] if he ever lost sight of his partner. He said, "no." He stated that at one point Deputy Valencia was behind him, but he knew he was there because he could hear the car. (Deputy [redacted] IAB Transcripts Page 3, 4)

The suspect ran the entire distance with the gun in his right hand. Deputy [redacted] told him several times to stop and drop the gun. (Deputy [redacted] IAB Transcripts Page 4)

Deputy [redacted] still in foot pursuit, slowed, squatted next to the east fence, south of the suspect, and ordered S/Amacker to stop and drop the gun. S/Amacker quickly spun around to his left and held the handgun in his right hand at waist level. Deputy [redacted] was approximately fifteen feet from S/Amacker. Deputy Valencia was behind (south of) Deputy [redacted] Fearing S/ Amacker was going to shoot either himself or his partner, Deputy [redacted] fired one round from his Departmentally issued 9mm Beretta. The suspect continued spinning to his left, and using a hooking motion, threw the handgun in a northerly direction, over a metal fence. S/Amacker immediately fell to the ground, and prostrated himself face down with his head facing south and his hands above his head. Upon the arrival of additional Compton units, the suspect was arrested. The suspect was not injured during the incident. S/Amacker's left front pants pocket contained a single entry an exit hole. A cell phone located in his front left pocket was also damaged. The handgun was recovered from the backyard of [redacted] Brazile Ave. (residence directly [redacted] of [redacted] Palmer Ave.)

DEPUTY VALENCIA
On October 18, 2003, Deputy Valencia wrote a supplementary report. On November 12, 2003, he was interviewed by Internal Affairs Bureau Sergeant Key and Harris. Both the supplementary report and the interview contain essentially the same information and are summarized as follows:

Deputy Valencia stated that he and Deputy [redacted] were on routine patrol in the city of Compton. Deputy Valencia was the driver and Deputy [redacted] the passenger (book man). While turning south on Dwight Ave. from School St., they saw a male Black (later identified as S/Amacker) walking north on the west sidewalk of Dwight Ave. As they drove toward the suspect, they noticed a startled expression on his face. With both hands, S/Amacker reached to the front of his waistband. Deputy Valencia, who believed S/Amacker was attempting to arm himself with a weapon, exited the radio car. S/Amacker removed a black handgun, and began running north on the west sidewalk of Dwight Ave., with the pistol in his hand.

Deputy [redacted] pursued the suspect on foot and initiated an emergency broadcast to the Sheriff's Communication Center re: being involved in a foot pursuit of an armed suspect. Deputy Valencia

followed in the radio car, driving in reverse, paralleling Deputy [redacted] and S/Amacker. They followed S/Amacker north on Dwight Ave from School St., to west on Palmer Ave. (one block). S/Amacker turned west, running northwest on Palmer Ave., toward the north sidewalk. Deputy Valencia was then able to drive forward, next to S/Amacker, passing Deputy [redacted] Deputy Valencia illuminated S/Amacker with the radio car's head and spot lights. He observed suspect Amacker still running with the black pistol in his right hand.

Suspect Amacker ran north to the east portion of the front yard, paralleling the driveway of [redacted] Palmer St. (single story residence). Deputy [redacted] followed S/Amacker to the front of the driveway. Both, Deputy Valencia and [redacted] yelled for S/Amacker to drop the pistol. However, he refused.

Deputy Valencia exited his vehicle to engage in the foot pursuit. While exiting the vehicle, Deputy Valencia observed S/Amacker reach a closed wrought iron gate, which was at the end of the driveway. S/Amacker turned toward both Deputy Valencia and [redacted] and pointed a pistol at them. The suspect was holding the pistol at waist level.

Deputy Valencia observed Deputy [redacted] bend at the waist and knees and assume a tactical shooting position. Deputy Valencia heard a single gun shot coming from the area of S/Amacker and believed S/Amacker had just fired at Deputy [redacted] Fearing for his life and the life of his partner, Deputy Valencia fired one round from his Departmentally issued 9mm Beretta.

Deputy Valencia said that he was standing next to the front driver's side quarter panel of his radio car when he fired. Prior to firing, Deputy Valencia raised his duty weapon and accessed his line of fire. He observed Deputy [redacted] was approximately five feet east of him, and had assumed a lowered combat position.

Simultaneous to the gunshots, S/Amacker tossed the pistol over his head with his right hand. S/Amacker then lay on the ground in front of the fence and was taken into custody.

During the incident, the rear window of a vehicle (Ford, Coupe, [redacted] parked in the driveway of the location was shattered. Deputy Valencia believes his bullet impacted and shattered the window.

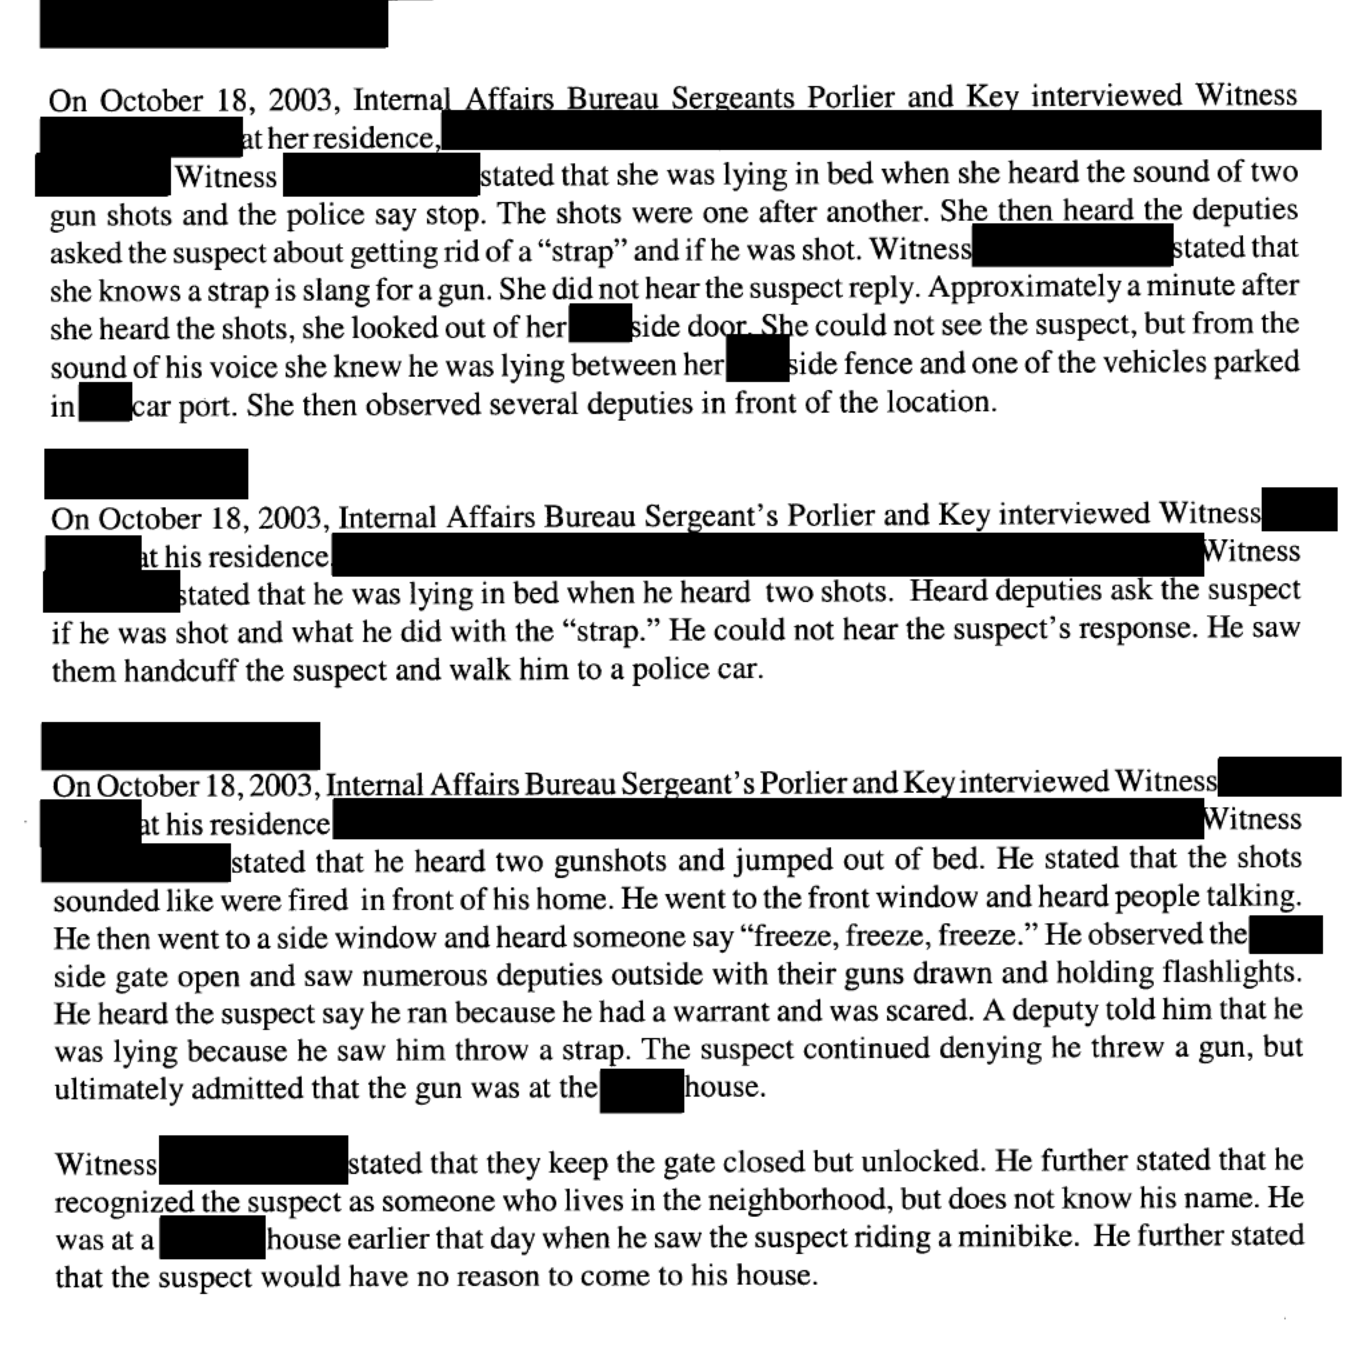

SEE EXHIBIT A, DEPUTY VALENCIA'S SUPPLEMENTARY REPORT.

SUSPECT/INMATE STATEMENTS

On October 18, 2003, S/Amacker was interviewed by Operation Safe Street Detective Q. Rodriguez. Detective Q. Rodriguez asked the suspect if he would mind talking to Internal Affairs Bureau. Suspect Amacker stated that he did not want to talk to Internal Affairs. The following is a summation of the interview Detective Q. Rodriguez had with Suspect Kristian Amacker:

Initially Suspect Kristian Amacker denied possessing a weapon. He later changed his story and said that he ran because he thought the deputies were going to contact him. He denied running with the

gun in his hand, stating the gun was in his right front pocket. He admitted carrying the gun for protection. He ran to the location, [redacted] W. Palmer Ave., because he knew one of the occupants. Upon reaching the gate, he pulled the gun out with his right hand. He denied trying to shoot the deputies. When he turned toward the deputies with the gun, he was trying to separate himself from the gun. While tossing the weapon, he turned toward the deputies a little. The deputies fired their weapons, hitting his cell phone which was in his left front pocket. Deputy [redacted] and Valencia ordered him to get down and he complied.

WITNESS STATEMENTS:

[redacted]

On October 18, 2003, Internal Affairs Bureau Sergeants Porlier and Key interviewed Witness [redacted] at her residence, [redacted] Witness [redacted] stated that she was lying in bed when she heard the sound of two gun shots and the police say stop. The shots were one after another. She then heard the deputies asked the suspect about getting rid of a "strap" and if he was shot. Witness [redacted] stated that she knows a strap is slang for a gun. She did not hear the suspect reply. Approximately a minute after she heard the shots, she looked out of her [redacted] side door. She could not see the suspect, but from the sound of his voice she knew he was lying between her [redacted] side fence and one of the vehicles parked in [redacted] car port. She then observed several deputies in front of the location.

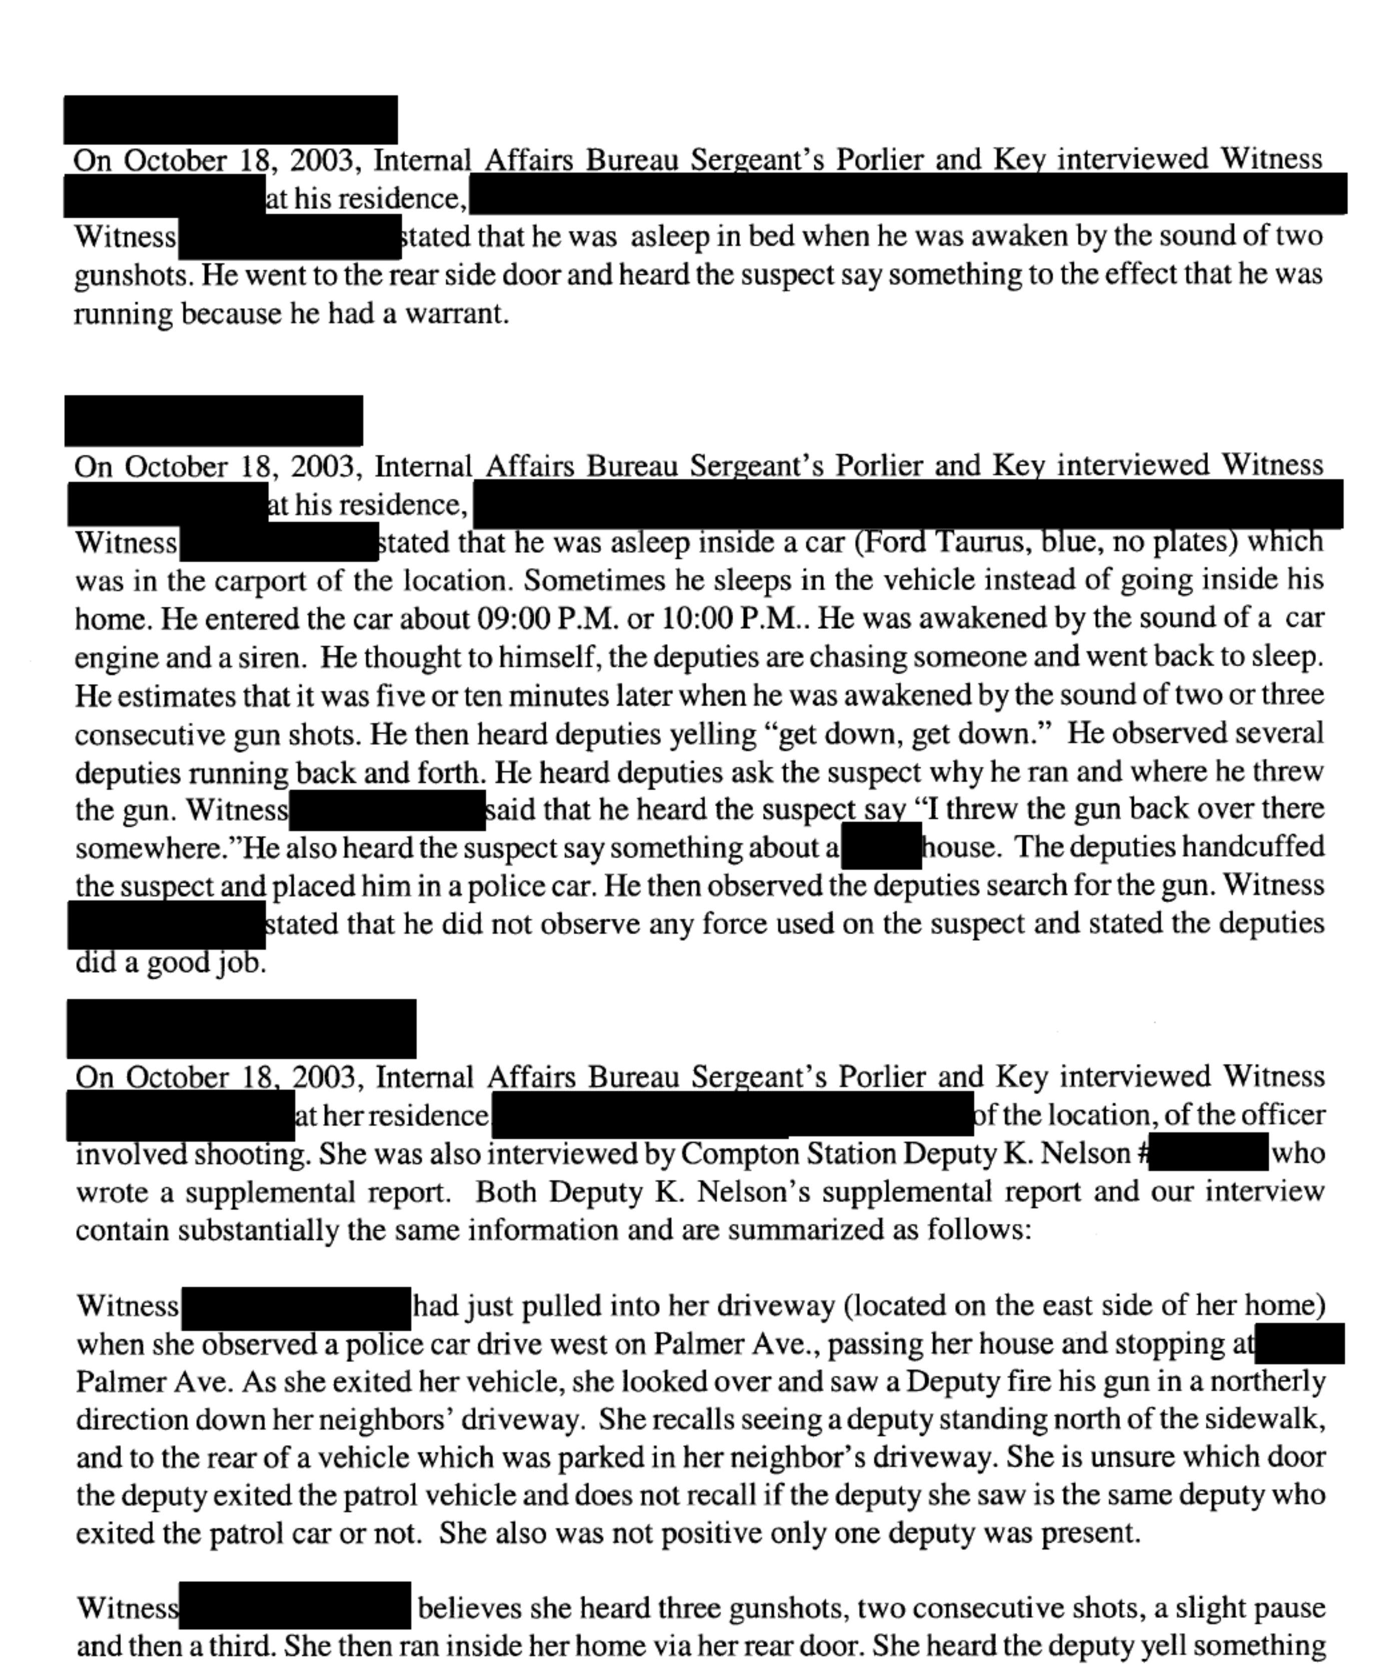

[redacted]

On October 18, 2003, Internal Affairs Bureau Sergeant's Porlier and Key interviewed Witness [redacted] at his residence [redacted] Witness [redacted] stated that he was lying in bed when he heard two shots. Heard deputies ask the suspect if he was shot and what he did with the "strap." He could not hear the suspect's response. He saw them handcuff the suspect and walk him to a police car.

[redacted]

On October 18, 2003, Internal Affairs Bureau Sergeant's Porlier and Key interviewed Witness [redacted] at his residence [redacted] Witness [redacted] stated that he heard two gunshots and jumped out of bed. He stated that the shots sounded like were fired in front of his home. He went to the front window and heard people talking. He then went to a side window and heard someone say "freeze, freeze, freeze." He observed the [redacted] side gate open and saw numerous deputies outside with their guns drawn and holding flashlights. He heard the suspect say he ran because he had a warrant and was scared. A deputy told him that he was lying because he saw him throw a strap. The suspect continued denying he threw a gun, but ultimately admitted that the gun was at the [redacted] house.

Witness [redacted] stated that they keep the gate closed but unlocked. He further stated that he recognized the suspect as someone who lives in the neighborhood, but does not know his name. He was at a [redacted] house earlier that day when he saw the suspect riding a minibike. He further stated that the suspect would have no reason to come to his house.

[redacted]

On October 18, 2003, Internal Affairs Bureau Sergeant's Porlier and Key interviewed Witness [redacted] at his residence, [redacted]

Witness [redacted] stated that he was asleep in bed when he was awaken by the sound of two gunshots. He went to the rear side door and heard the suspect say something to the effect that he was running because he had a warrant.

[redacted]

On October 18, 2003, Internal Affairs Bureau Sergeant's Porlier and Key interviewed Witness [redacted] at his residence, [redacted]

Witness [redacted] stated that he was asleep inside a car (Ford Taurus, blue, no plates) which was in the carport of the location. Sometimes he sleeps in the vehicle instead of going inside his home. He entered the car about 09:00 P.M. or 10:00 P.M.. He was awakened by the sound of a car engine and a siren. He thought to himself, the deputies are chasing someone and went back to sleep. He estimates that it was five or ten minutes later when he was awakened by the sound of two or three consecutive gun shots. He then heard deputies yelling "get down, get down." He observed several deputies running back and forth. He heard deputies ask the suspect why he ran and where he threw the gun. Witness [redacted] said that he heard the suspect say "I threw the gun back over there somewhere."He also heard the suspect say something about a [redacted] house. The deputies handcuffed the suspect and placed him in a police car. He then observed the deputies search for the gun. Witness [redacted] stated that he did not observe any force used on the suspect and stated the deputies did a good job.

[redacted]

On October 18, 2003, Internal Affairs Bureau Sergeant's Porlier and Key interviewed Witness [redacted] at her residence [redacted] of the location, of the officer involved shooting. She was also interviewed by Compton Station Deputy K. Nelson # [redacted] who wrote a supplemental report. Both Deputy K. Nelson's supplemental report and our interview contain substantially the same information and are summarized as follows:

Witness [redacted] had just pulled into her driveway (located on the east side of her home) when she observed a police car drive west on Palmer Ave., passing her house and stopping at [redacted] Palmer Ave. As she exited her vehicle, she looked over and saw a Deputy fire his gun in a northerly direction down her neighbors' driveway. She recalls seeing a deputy standing north of the sidewalk, and to the rear of a vehicle which was parked in her neighbor's driveway. She is unsure which door the deputy exited the patrol vehicle and does not recall if the deputy she saw is the same deputy who exited the patrol car or not. She also was not positive only one deputy was present.

Witness [redacted] believes she heard three gunshots, two consecutive shots, a slight pause and then a third. She then ran inside her home via her rear door. She heard the deputy yell something

but she does not know what he said. Witness [redacted] did not hear or see anything else.

Sergeant Porlier asked Witness [redacted] if anyone else was home at the time of the incident. She stated that her [redacted] was home at the time of the incident, but that he left to go fishing shortly after her arrival. She stated that her [redacted] told her he heard two gun shots, but did not see anything.

[redacted]

On October 18, 2003, Compton Station Deputy K. Nelson went to [redacted] and interviewed both [redacted] and [redacted] (See supplemental report by Deputy K. Nelson). The following is a summation of Deputy K. Nelson's interview with Witness [redacted]

Witness [redacted] told Deputy K. Nelson that he heard two gunshots but did not see or hear anything else.

WITNESS [redacted]

On October 18, 2003, Internal Affair's Bureau Sergeant Porlier and Key interviewed Witness [redacted] A summation of the interview is as follows:

Witness [redacted] lives at [redacted] which is the location where the suspect's weapon was recovered. Witness [redacted] stated that he was at home asleep when he was awaken by a loud thump, like the sound of a piece of metal hitting the rear of his home. He heard an officer say something to the effect of "get down, get down," or something like "stop running." He also heard sirens and someone saying check the pink house. He recalls hearing someone running through a yard but does not know which yard.

The remaining witnesses listed on the "Officer Involved Shooting Form" only heard the sound of an engine revving or shots fired. These witnesses' statements are listed in supplemental reports prepared by Compton station deputies, under file number 403-14926-2811-055.

INJURIES:

Neither the suspect nor deputies were injured.

PHYSICAL EVIDENCE:

LASD Scientific Services Forensic Identification Specialist Fred Roberts photographed the incident scene. Additionally, photographs of the recovered weapon, expended shell casings, the suspect's pants and cell phone, tire marks, as well as a vehicle's shattered window were taken.

INVESTIGATOR OBSERVATIONS:

I observed that Deputy Valencia and [redacted] radio car was parked facing west. The front of the radio car (front doors and hood) were adjacent to the driveway of [redacted] Palmer St.

There were two expended shell casings. One shell casing (Luger 9mm) was laying in the street, approximately ten feet south of the north curb line, of [redacted] Palmer St., next to the driver side front door of Deputy [redacted] and Valencia's radio car. The other shell casing (9mm Luger) was laying in the grass, approximately 24 feet north of the north curb line, between the driveway and the east fence of [redacted] Palmer St.

I observed what appeared to be a bullet hole on the bottom westside of the wrought iron fence, which is the side of the gate that swings open. The fence is approximately sixty feet north of the north curb line of [redacted] Palmer St.

I observed a shattered rear window to a vehicle parked at [redacted] Palmer St. The vehicle was parked in the driveway facing north and was approximately twenty-three feet north of the north curb line of [redacted] Palmer St.

I also observed a black revolver (Taurus 38 Cal.), in the back yard of [redacted] The revolver was laying three to four feet south of the south facing wall of the residence (which is directly [redacted] of [redacted] W. Palmer Ave.) I observed recently removed stucco from the rear south facing wall of that location. The stucco was possibly removed when the suspect threw the firearm and the firearm hit the wall. The resident stated that he heard a thump on the rear wall of his home, which was possibly caused by the firearm hitting the wall.

WEAPONS USED BY DEPUTY PERSONNEL:

Deputy personnel used Department issued Beretta 9mm handguns. A check of both deputies firearms revealed that they both had one live 9mm Luger round in the chamber and fourteen live Luger rounds in their magazine.

USED BY SUSPECT

Black revolver, Taurus, 38 caliber, containing five live rounds.
